

Reconsideration of the application in view of the following amendments and remarks is respectfully requested.

1. AMENDMENT

1.1 IN THE SPECIFICATION:

Please replace the existing Specification with the Substitute Specification provided herein. Applicant has amended the title on page one of the application to read "p33^{QIK} AND p63^{KRSI} PEPTIDES, POLYPEPTIDES, COMPOSITIONS AND USES THEREFOR," and has amended the abstract on page 93 of the application as requested by the Examiner to more distinctly point out the subject matter of the now-claimed invention after the Restriction Requirement imposed in the Action dated November 23, 2001.

Applicant has also corrected the various minor clerical and typographical errors found throughout the original text in the Substitute Sequence provided herein, and has also amended pages 7 and 8 of the Specification to incorporate the text of originally filed claim 48, as provided by MPEP 608.01 and as requested by the Examiner on page 3 of the Action.
